The Reynolds Rainbow

Sharing bright news from our school community

William Reynolds Primary School
Belong. Believe. Succeed

Week ending 13th November 2026

Headteacher's Message

Dear Parents and Carers,

We have had a lovely week in school. Today, we raised £550 for Children in Need through our non-uniform day. Thank you to everyone who donated. It was great to see so many children wearing Pudsey costumes, ears and accessories to support this important charity.

This week, children took part in Remembrance assemblies. They listened to stories about people who showed bravery and were able to link these to our school value of courage. The children showed great respect during these assemblies.

Year 2 had an exciting visit from Exotic Zoo today. They met several animals and learned more about habitats and how animals live. This will help them with their Science learning.

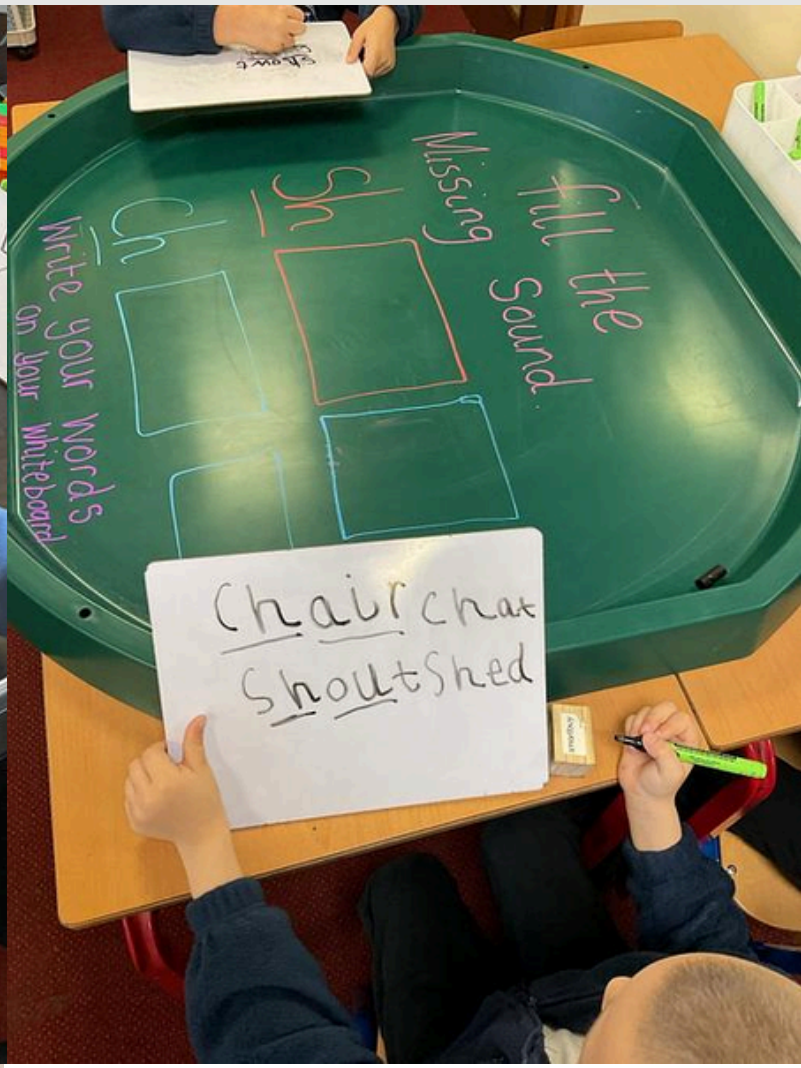
We also welcomed visitors from the Maths Hub. A special thank you to Parks Class, who took part in a maths lesson that was observed by 20 teachers from local schools. The children were fantastic and showed excellent learning behaviours. We were very proud of them.

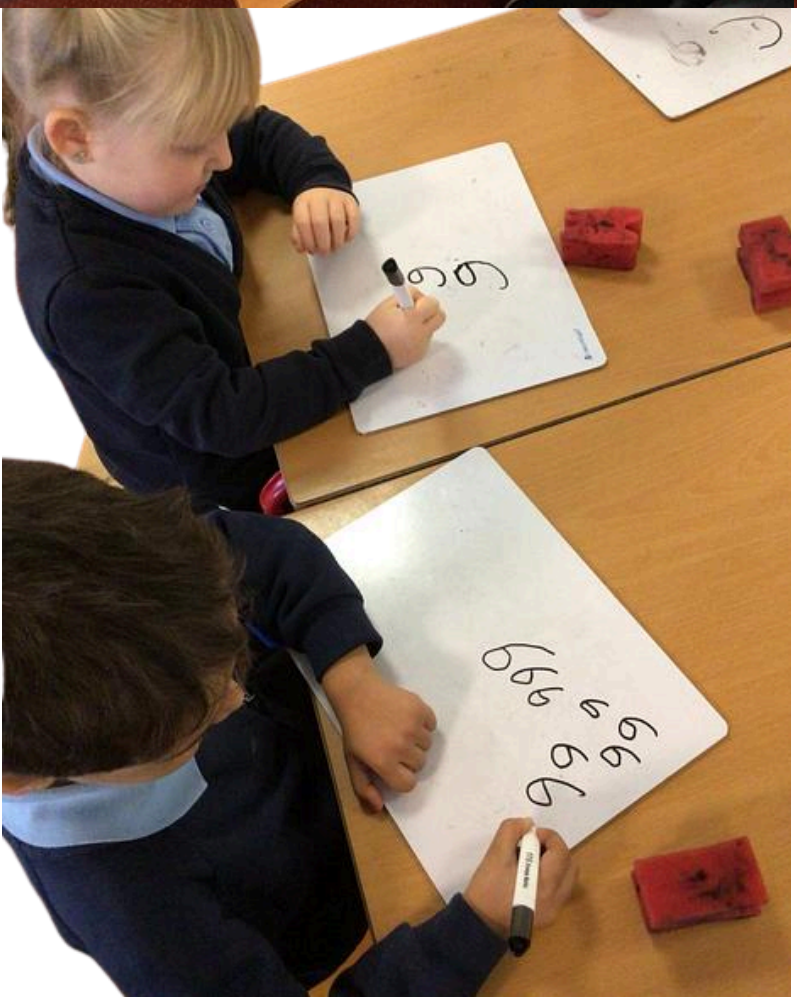
Thank you for your continued support. We hope you all have a wonderful weekend.

Mrs Angeloff
Head of School

Four Hills Education Trust

Our Wonderful Week





Pupil Voice: Belong, Believe, Succeed

We recently spoke to a group of children about our new vision and values. Their responses showed a strong understanding of what Belong, Believe, Succeed means to them.

Some of the children's comments included:

"You're welcome here."
"You can get extra help if you need it."
"You make some friends and they make you feel happy."
"People being kind to you."
"They care about you."
"A big family."

The children were also able to talk confidently about our values of Kindness and Courage, showing that these are becoming a real part of everyday life at William Reynolds. We are incredibly proud of how well they are embracing our vision of Belong, Believe, Succeed.

Showing Courage on the Berwyn Mountains!

A huge well done to Rose in Year 3, who recently climbed the Berwyn Mountains in Wales! 🏔️

The climb took an incredible 4 hours and showed determination, resilience and, most importantly, courage. Even when things were challenging, they kept going and reached their goal.

We are so proud of this fantastic achievement and the way they demonstrated our school value of Courage.

Picture News

In the news this week

Diwali celebrations in Leicester return this November. It's one of the UK's biggest Diwali festival locations, with music, dancing, colourful lights and family activities. However, the traditional public fireworks display will not take place this year as part of Diwali celebrations, due to crowd safety concerns at the park venue. Organisers hope the celebrations will still bring thousands of people together to enjoy the Festival of Lights, despite some familiar traditions being different.

Things to talk about at home ...

- What traditions do you celebrate with your family? Why are they special to you?
- Why do you think some people might fee upset when a tradition changes?
- In your opinion, is it more important to keep traditions the same or find new ways to celebrate? Why?
- If you could create a brand-new tradition for your family, what would it be and why

Closing date for applications:

15 January 2027

Ifyour childhasanEducation,Health & Care Plan (EHCP) the closing date is **31 October 2026**.

www.telford.gov.uk/admissions

- You **must** apply if your child was born between 1 September 2022 – 31 August 2023.
- You **must** apply even if your child is attending a nursery or pre- school on a school site or you have a child already attending the school.
- You are advised to list four schools on your application form, including your catchment area/nearest school.
- Attending a nursery does **not** guarantee a school place. School places
- are allocated in line with oversubscription criteria.
- See website for more information **www.telford.gov.uk/**

admissions or contact School Admissions at **admissions@telford.gov.uk**

Attendance – Every Day Counts

One of our key priorities this year is to improve individual pupil attendance and our whole-school attendance.

Being in school every day really matters. Regular attendance gives children the best opportunity to learn, develop friendships, build confidence and make progress. Even small amounts of missed learning can add up over time.

We are asking all parents and carers to support their child in achieving our attendance target of no more than six days off across the school year — approximately one day per term.

We completely understand that this may not be possible for every child, particularly where there are health or medical needs. In these circumstances, Miss O'vens, our attendance officer, and class teachers will work closely with families to understand individual circumstances and provide appropriate support.

If you have concerns about your child's attendance or need help, please speak to Miss O'vens. We want to work with families to overcome barriers to attendance and ensure that every child gets the opportunity to benefit from being in school.

Reminder: Earrings and Jewellery

To help keep all of our children safe, please remember that hoop earrings should not be worn to school.

If children wear earrings, these should be small stud earrings only. Hoop earrings can easily get caught during play, PE and other activities, which can lead to injuries.

Thank you for your support in helping us maintain a safe environment for all children.

Reminder: School Shoes

A gentle reminder that children should come to school wearing plain black shoes or plain black trainers as part of our school uniform.

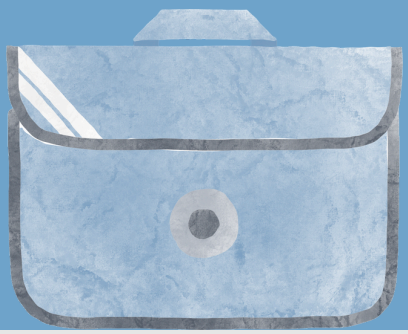
Colourful trainers, logos and fashion footwear are not part of the school uniform and should not be worn to school.

Thank you for your support in helping our children take pride in their appearance and maintain our high standards.

School Bags and Water Bottles

Please can we remind families to ensure that children bring their school bags and a water bottle to school every day. These are important for carrying books and letters between home and school, and for helping children stay hydrated throughout the day.

Thank you for your continued support.



Thank You for Switching Off

Helping Us Keep Our School Entrance Fresh and Friendly

To help create a healthier start and end to the school day for our children, we kindly encourage drivers to switch off their engines when parked near the school gates.

Now that the weather is getting nicer, walking to and from school can also be a healthy and enjoyable option for families who are able to do so. We know this isn't possible for everyone.

Every little bit helps, and we're very grateful to our families for working together to make arrival and pick-up times a pleasant and welcoming experience for everyone.
