## Newsletter June 2021

Arthog Outreach Base 8

Dear Parents, Carers and Governors,

### Coronavirus Update

Telford and Wrekin update on COVID19 - Ninety-nine new cases have been reported between 7<sup>th</sup> June - 13<sup>th</sup> June. Eight more than the previous seven-day period. We are above the regional average but below the national average. As a school, we have had one positive pupil in Y4 - we did not need to close the class as this child had already been isolating after half term. We have also had one positive staff member in Base 3. This class has been closed and will return on Monday 28<sup>th</sup> June.

It has been a long time since we have had to close any bubbles so just as a reminder for parents:

- If a person tests positive on a lateral flow test, they need to have a PCR test to confirm this. As a school we have to close the bubble for a positive lateral flow test until we have the results. If the test is negative, then everyone can return but if the test is positive, a 10-day isolation period is required.
- We have to have confirmation from the Health Protection Hub before we confirm this with parents.
- An email will be sent to you to ask to confirm that you understand that the bubble is closed.
- We will notify the whole school either through a newsletter (like today or on the website) to keep you informed.

We will continue with all of our measures within school and remind the children the importance of washing their hands. I understand everyone is wanting to get back to some sort of normality.

## Laptops

Thank you to everyone who has brought back their laptops which they had loaned during the lockdown. If you still have one at home - please can you bring it back to school. If your class is isolating, you will be offered one to support you at home again.

## Transition days

Unfortunately, the Secondary schools are unable to carry out transition days for our Y6 pupils this year due to COVID. You should have received information from your child's secondary school about this. We are offering our new reception children and parents the opportunity to visit the school after school over the next couple of weeks. Miss Lloyd will have been in touch with you if you are in our nursery (and coming to our Reception in September) to offer you a date and time. We have already had one session which worked really well and gave parents the opportunity to ask some questions in a smaller group situation.

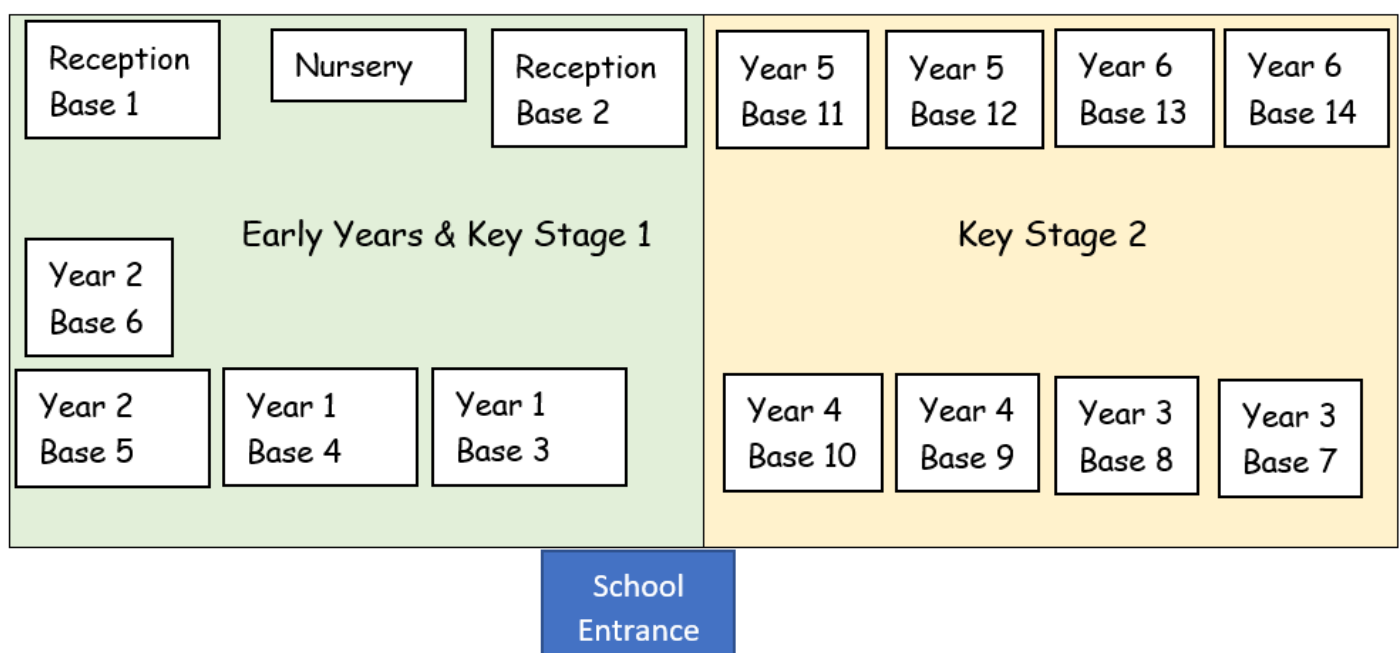

We are still continuing with our transition morning on Tuesday 6<sup>th</sup> July so that the children can see their new classroom for September and meet their teacher. Year 6 will still be in school that morning but will have other activities to do.

## Goodbye

We will be saying goodbye to Miss Coomber & Mrs Attrell at the end of the summer term. We wish them all the best for the future! Miss Burrows is expecting twins in the Autumn term so will not be assigned as a class teacher for this year.

## Class Bases for September

I am making some changes to the class numbers for KS2 so that it makes more sense to where they are placed around the school. For example, Year 2 finish with Base 6 and then it moves to B11 in Y3. This does mean some changes to notices and maps of the school need to be updated but it will be worth it in the long run. The classrooms have not moved location - just numbers!

## Sports Week

We have started off National Sports Week with Arthog Outreach joining us for 3 days this week. Children have begun to practise sporting athletic events with the plan to carry out several sports events next week. Please can all children bring in their PE kit everyday next week or bring it on Monday and leave it here until Friday. Events have been timetabled to ensure we do not mix year groups so their opportunity for the sports events may be on a different day to their usual PE sessions. We are sorry that parents are not able to join us again for our Sports Day, fingers crossed for 2022!

**Dates for your diary** - we will be entering these dates onto the diary on our website. A copy of all newsletters can be found on the school website. Further details about start times for some of the events will be sent out to you nearer to the date.
