**"To be the best
we can be"**

Head Teacher:

Miss Julie Marriott

Chair of Governors:

Mrs Jane Tranter

Dear Parents, Carers and Governors,

We are fast approaching the end of the summer term. Your child will be bringing their school report home on Monday 17th July - we know you will enjoy reading about all their achievements! If for some reason, you have not received their report on that date, please check with their class teacher.

We want to say a huge 'Thank You' to Mr John James, who will be leaving his governor role at the end of the summer term. John has shown great commitment in his role and has dedicated the last 42 years to being a governor at our school.

John has lived in the Woodside area for many years and his own children also attended our school. He has shown great support to our school, in his role as a governor. The governor role takes time and requires a lot of dedication and we are truly appreciative of his contributions over the years.

Thank you also to our other school governors, who give their time freely in what is a challenging, yet unpaid role. We know that the time given by all our governors is something that we are extremely thankful for.

Our School Values

Challenge	Honesty	Ownership	Courage	Collaboration
Make every experience exceptional	Always do the right thing	Take accountability for your actions	Be determined to deliver greatness	Work together to succeed

School Uniform

Our School uniform is:

- a dark blue sweatshirt or cardigan;
- a pale blue polo shirt;
- black or grey trousers, school shorts, skirts or pinafore;
- blue checked or striped dresses;
- black shoes.

Sweatshirt, cardigans, and polo shirts with the school logo are all available for sale from the main office. Pupils can also wear plain navy jumpers, cardigans and shirts.

It is an expectation that black school shoes are worn by all pupils attending our school.

P.E kit

Pupils need to wear a plain white t-shirt and black shorts with trainers or pumps as a change of footwear for P.E. A plain sweatshirt and leggings or jogging pants can be worn for outdoor PE when the weather is cold.

Uniform Purchases

Uniform will be on sale on our PD Days in September between 10am and 2pm (4th/5th September).

Please note that we do not sell uniform on 6th September, which is the day the children return back to school.

Brilliant Brushers in Early Years

Statutory framework for the early years' foundation: Health

The provider must promote the good health, including the oral health, of children attending the setting.

Staff supervise children toothbrushing in EYFS at William Reynolds Primary School and Nursery on a daily basis.

How do we prevent tooth decay?

Public Health England Healthmatters Preventing tooth decay

Top 3 interventions for preventing tooth decay

- 1** Reduce the consumption of foods and drinks that contain sugars

Under 3s should use a smear of toothpaste
- 2** Brush teeth twice daily with fluoride toothpaste (1350-1500ppm), last thing at night and at least on one other occasion. After brushing, spit don't rinse

3 to 6 year olds should use a pea sized amount
- 3** Take your child to the dentist when the first tooth erupts, at about 6 months and then on a regular basis

Parents/carers should brush or supervise tooth brushing until their child is at least 7

Absence

Please call us by 9am, in the event of your child being too unwell to attend school. If your child attends breakfast club please ring before 7.45am to let us know of their absence.

Thank you for your support. **01952 388280**

Attendance Parties

On Thursday 20th July, attendance parties will be held for the winning EYFS/KS1 and KS2 class. We continue to work hard on improving our attendance and appreciate you working with us on this, by ensuring your child attends school every day.

Please support your child, by ensuring they attend school every day. The winning classes will be announced in the final week of term.

Currently in the lead...

- ⇒ EYFS/KS1 - Base 1
- ⇒ KS2 - Base 8

Will they still be in the lead by the end of the term?

Attendance By Form between 05/09/2022 and 07/07/2023

100% Attendance

Children who have attended school every day will be presented with their 100% attendance badge on Thursday 20th July. We are really looking forward to awarding them with their badge to celebrate them being in school every day.

Which CIRCLE are you in?

Punctuality

A polite reminder to our families that our school day starts at 8:45am.

If your child arrives after this time, their lessons will have already started, meaning that they are missing out on their learning which will have an impact on the progress they are able to make in school.

Classroom doors are open from 8:35am. The classroom doors and school gates close promptly at 8:45am. Timings for Nursery differ from the rest of the school - their door is open at 8:30am.

Please support your child, by ensuring they attend school on time every day.

The classes with the best punctuality in school so far this year are:

- ⇒ EYFS - Afternoon Nursery
- ⇒ KS1 - Base 3
- ⇒ KS2 - Base 14

Punctuality By Form Between 05/09/2022 and 07/07/2023

Lego League - Year 2

On the morning of Friday 30th June, our Year 2 Lego League representatives were invited to take part in the Lego League conference at Telford AFC stadium. The event was to celebrate the work that the children have completed towards their project theme 'Super Powered'. Over the last term, the children have been learning about how they get and use energy, as well as how energy is stored and distributed in a sustainable way. The children had the opportunity to make Lego models using motors and iPad apps to power their creations and had the opportunity to present their creations to be judged by their peers from other schools. Both of our school's groups won awards for enthusiasm in explaining their models and for their coding innovation. We had the most wonderful time!

Enrichment Days

We were so pleased to see so many parents and carers attending our enrichment days. All children in the school participated in sports activities watched by family and friends. Then everyone was invited in for refreshments and a chance to look at their children's books. An enjoyable day was had by all.

"I liked jumping on the space hopper and in the hoops. I went very fast."

"I liked jumping in the hoops, as I went really fast and it was lots of fun."

"It was fun picking up the ducks, walking along the bench and dropping them in the bucket."

Mason: "I loved having a cake and showing all my hard work to my mum."

Maisie: "I am proud that I ran my fastest and I came second in my race."

Shiv: "I tried my hardest in my running race."

Elizabeth: "I've enjoyed sharing my books with my family. Look how much better my writing is!"

Frankie: "Even though we got a little bit wet, it was still really fun to do a race with my friends."

Levi: "My parents were so happy because my handwriting is really neat, and they said I should get a pen soon."

Holte: "I think we all showed great team spirit, and all cheered for one another."

Soraayah: "We all showed courage and enjoyed the challenge of getting a bit wet in the rain."

"I liked all the parents being in the hall, having a drink and cake and spending time with my mum." (Emily)

"I want to take part in enrichment day again as I liked my mum cheering me on." (Joshua)

Charlotte's mum: "We are so proud of all Charlottes hard work this year."

Shiv's parents: "We are so pleased to see how well he is doing in maths."

"I enjoyed sharing my books with my mum because I am proud of my work." (Zayne)

"I liked taking part in all the races." (Tatenda)

"My mum was really impressed with my books." (Noah)

"I enjoyed taking part in the relay race and being part of Long Mynd." (Isla)

"I loved the running races because I am fast." (Yvette)

Bikes and Scooters

To help keep everyone safe, we ask that all children (including younger siblings) do not ride bikes or scooters on the school site.

If your child rides a bike or scooter to school, please ensure they come off it before they come through the gates.

Nursery Places

We have Nursery spaces available in the autumn term for children who have already turned three - please ring the School Office.

Holiday Clubs

There will be no holiday clubs taking place over the school holiday, as we are having work done to upgrade our school roof.

Congratulations!

We want to congratulate Mr Perry and his wife, Sam, on the birth of their son, Thomas Siôn Perry, who was born on Sunday 11th June at 11:14 am weighing 8 pounds and 4 ounces.

Early Years - Junk Modelling

The children in Early Years had a fabulous time using their imagination to use junk materials to make their own models.

Year 5 - Arthog Outreach

Year 5 had a fabulous time - they overcame many challenges and we are really proud of them all!

"Arthog Outreach was an amazing experience that let us do things outside of the classroom that we wouldn't normally get the chance to do. It was nerve-wracking but I conquered my fear of heights and I felt so proud of myself". **Haamed**

"Arthog Outreach was a scary experience that made me have courage and be brave. I was very scared but I tried my best to overcome my fear!" **Macey**

Staying Safe Online

There is a lot of information on our School Website for parents on online safety.

Online-Safety is all about being aware of the possible dangers and risks associated with using the Internet via a PC, laptop, mobile phone, iPad and game console. It also covers the use of electronic and online communication and wireless technology. It is vital, that children and adults, learn how to use the internet responsibly and make informed choices that will equip them now and in the future.

Click on the link: [Online Safety](https://www.williamreynoldsprimary.org/online-safety) | - William Reynolds (williamreynoldsprimary.org)

If you are worried about your child's online behaviour and would like support from school, please speak to a Designated Safeguarding Lead (DSL).

Online Apps

Apps that can be downloaded have age ratings, which act as a guide for parents to inform them about safe choices when considering what their children have access to at home. We would advise that parents check their child's online use regularly to ensure they are safe online.

Quick Age Limit Guide

 16	 13	 13
 13	 13	 13

What parents need to know about WhatsApp

AGE LIMIT CHANGE

Since May 2018, the minimum age for using WhatsApp is 16 years old if you live in the European Union, including the UK. Prior to this, the minimum age was 13, which still applies for the rest of the world. WhatsApp has not yet stated whether it will take action against anyone aged between 13 and 16 who already hold accounts under the old terms and conditions, such as closing their account or seeking parental permission.

SCAM MESSAGES

Occasionally on WhatsApp, people receive spam messages from unauthorised third parties or from fraudsters pretending to offer prizes to 'lucky people', encouraging recipients to click on a link to win a prize. A common scam involves messages warning recipients that their WhatsApp subscription has run out with the hope that people are duped into providing their payment details. Other scam messages include instructions to forward the message in return for a reward or gift from WhatsApp or another person.

FAKE NEWS AND HOAXES

WhatsApp has been linked to enabling the spread of dangerous viral rumours. In India, for example, a number of attacks appear to have been sparked by false rumours shared on WhatsApp.

THE 'ONLY ADMIN' FEATURE AND CYBERBULLYING

Cyberbullying is the act of sending threatening or taunting text messages, voice messages, pictures and videos, with the aim to hurt and humiliate the receiver. The group chat and group video call features are great for multiple people to chat simultaneously, but there is the potential for people to hurt others with their comments or jokes. The 'only admin' feature gives the admin of a group chat greater control over who can send messages. Whilst this can be good for one-way announcements, the group admin has the power to block somebody from responding to an offensive message in a chat, which could result in a child being upset and unable to reply.

CONNECTING WITH STRANGERS

To start a chat in WhatsApp, you need to know the mobile number of the contact you want to speak to and they also need to have the app downloaded. WhatsApp can find contacts by accessing the address book of a device and recognising which of those contacts are using WhatsApp. If your child has shared their mobile number with somebody they don't know, they can use it to get in touch via WhatsApp.

LIVE LOCATION SHARING

WhatsApp's 'Live Location' feature enables users to share their current location in real time to their contacts in a chat, allowing friends to show their movements. The feature, which can be found by pressing the 'attach' button, is described by WhatsApp as a 'simple and secure way to let people know where you are.' Location-sharing is already a common feature on other social apps, including Snapchat's Snap Map and Facebook Messenger and can be a useful way for a child to let loved ones know they are safe. However, if your child is in a group chat with people they do not know, they will be exposing their location.

Top Tips for Parents

CREATE A SAFE PROFILE

Even though somebody would need your child's phone number to add them as a contact, as an extra security measure we suggest altering their profile settings to control who can see their profile photo and status. The options to choose from are 'Everyone', 'My Contacts' and 'Nobody'. We suggest selecting 'My Contacts' or 'Nobody' to ensure their profile is protected.

EXPLAIN HOW TO BLOCK PEOPLE

If your child has received spam or offensive messages, calls or attachments from a contact, they should block them. Messages and status updates sent by a blocked contact will not show up on the phone and will stay undelivered. Blocking someone will not remove this contact from the contact list - they will need to be removed from the phone's address book. To block a contact, your child needs to open the person's chat stream and tap on the settings.

REPORT SCAM MESSAGES

Advise your child not to tap, share or forward any message that looks suspicious or sounds too good to be true. When your child receives a message from an unknown number for the first time, they will be given the option to report the number as spam directly inside the chat. They can also report a contact or a group as spam using the following steps: 1) Open the chat. 2) Tap on the contact or group name to open their profile information. 3) Scroll to the bottom and tap 'Report Spam'.

LEAVE A GROUP

If your child is part of a group chat that makes them feel uncomfortable or has been added to a group they don't want to be part of, use the group's settings to show them how to leave. If someone exits a group, the admin can add them back in once. If they leave again, they cannot be added again.

USING LIVE LOCATION SAFELY

If your child needs to use the 'Live Location' feature to share with you or a friend, advise them to only share it for the amount of time they need to. WhatsApp gives the options of either 15 minutes, one hour or eight hours. However, your child can choose to stop sharing at any time.

DELETE ACCIDENTAL MESSAGES

If your child has sent a message to the wrong chat or if a message they sent has contained a mistake, they can delete it. To do this, simply tap and hold on the message, choose 'Delete' and then 'Delete for everyone'. The app allows seven minutes to delete the message after it has been sent, but it is important to remember that recipients may have seen and screenshot a message before it was deleted.

SET TIME LIMITS

A 2017 study found that by the age of 14 the average child will have sent more than 35,000 texts, 30,000 WhatsApp messages and racked up more than three solid weeks of video chat. Although it is inevitable that your child will use technology, you can still set boundaries. This is not easy, especially since teens use their devices for both schoolwork and free time, often simultaneously.

To all our parents, carers and children, who have made this year so memorable - we really do appreciate all the ongoing support and kindness that you show to our school. We could not do what we do without the fabulous home-school partnership from you all.

Our staff are dedicated and strive to ensure all children feel safe and secure so they can go on to achieve their full potential. Your children are the heart of our school and we appreciate every single day we get to spend with them. They always make us proud with their attitude, commitment and hard work.

We hope you all have a lovely summer break and look forward to seeing you all again in September!
