"To be the best  
that we can be"

## Lego League

Some of the Year 2 and Year 3 children have taken part in CapGemini's Lego League programme over the last 12 weeks. Working on the theme 'hobbies and interests', the children have been working hard, every week in small teams, to build their own stage and characters using Lego and have used coding to make their stages come to life with sound and lights. Mrs Bains took the children to a wonderful event in AFC Telford where they were able to showcase their creations and enjoy a range of other activities.

The children had a great day and celebrated with a medal and certificate at the end of the day.

## Tesco Blue Tokens

Please remember to pick up a blue token at Tesco and put it in the William Reynolds Primary School slot!

The more tokens we collect the more money we will receive to use in school. The staff in Tesco don't always hand out the tokens so please remember to pick them up when you pay.

This is running from 1st July to 30th September 2024.

## Crucial Crew

On Monday the children in Year 6 visited Crucial Crew at TCAT. Crucial Crew takes place every year and is a project run by Telford & Wrekin Council to inform year 6 pupils about dangers and staying safe.

### Chester Zoo

On Wednesday, Year 4 visited Chester Zoo as part of their Rainforest topic. A wonderful time was had by all staff and children.

### Professor McGinty

On Thursday, Professor McGinty visited Year 3 to share his facts and knowledge of the Romans.

### Hand, foot and mouth

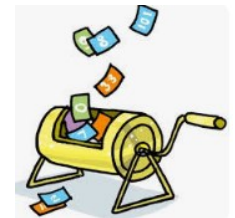

DfE guidance is that no time off is required for hand, foot and mouth unless your child is ill with a fever or too ill to attend school. The Health Hub agree with this but have added that to try to help reduce the spread of cases that we:

- Ensure good ventilation in school
- Encourage good hand hygiene
- Encourage good respiratory hygiene practices
- Implement enhanced cleaning
