## Newsletter - April 2016

Children and parents have been busy planting trees to commemorate Her Majesty the Queen's 90<sup>th</sup> Birthday

Dear Parents, Carers and Governors,

### **Welcome back**

We have had a busy start to the Summer term.

Things are underway to develop the top field area. Access steps have been put in place. Part of The Queen's birthday celebration is that every child has their own tree to plant. Children in Y1 and Y2 got things underway by planting a selection of Rowen, Holly, Hawthorne, Birch and Crab Apple trees in order to develop our own forest school area. Work men are building a fire pit so that we can cook around the campfire!

### **Off with the Stabilisers!**

Children in Reception and KS1 have been busy attending lessons on a Thursday after school on how to ride their bikes. They are making great progress.

### **Mystery of the Missing Mice**

A group of 6 children in Y2 were selected to attend an event linked to British values at Telford Town Park with Miss Bagnoli and Mrs Rawlings. There were using all their thinking and reasoning skills working with pupils from other schools to solve the mystery of the missing mice. Some of their activities are captured on the school website.

## School Council

The School Council are developing a "Keep Safe" poster for children in school, following our work with the NSPCC at the end of last term.

Our motto is that **"I have the right to speak out and stay safe"**

Watch out for the finished posters around school.
