## Newsletter May 2017

Now you see them.

Now you don't!

Children in Y3 preparing for battle on their "Roman Day" this term

Dear Parents, Carers and Governors,

### **Please can you help!**

We always keep a steady supply of underwear for the younger children just in case accidents happen. Our supply has run low over the years.

When sorting out your childrens' clothes, as I know things become too small as they grow, could you please donate any underwear to school.

Thank you.....

### **Well done**

Well done to pupils in Y6 who completed their Key Stage 2 SATs last week. All the papers have now been sent off for external marking. Results will arrive in school in time for the end of term reports. Writing continues to be assessed through to the end of June.

This week, pupils in Y2 will begin their SATs.

### **What's new**

Mr Raybould, as Geography subject leader has organised the marking out of a compass, to show direction on the Key Stage 2 playground.

### **Class photographs**

A full sized version of your child's class photograph is on display in the classroom. Staff have tried to put them on display so that parents/carers can see them.

Order envelopes have been sent out to parents. Please note the closing date for orders is Monday 22<sup>nd</sup> May at 3.15pm.

### **Safeguarding**

"Preparing for life in Modern Britain" is our policy that supports pupils in informing them about the choices they make in their lives. (This can be found on the school website).

The policy documents how Relationships and Sex Education is delivered through PSHE lessons, using the 'Living and Growing' resources produced by Channel 4. School and other schools in the Local Authority have used this resource for a number of years. The resources promote relationships and sex education as a developmental process beginning in Key Stage 1 at an appropriate level and progressing through to the end of Key Stage 2. The DVD resources from Channel 4 'Living and Growing' are used in our lessons.

We cover this work during the summer term.

***In Key Stage 1*** pupils learn to recognise similarities and differences between themselves and others, they look at life cycles in other animals and reflect on their own development from when they were babies.

***In Key Stage 2*** pupils learn to express their opinions about relationships and listen to and support others, including respecting other people's viewpoints and beliefs. They learn to recognise their own worth and identify positive things about themselves and try to balance the stresses in life in order to promote their own mental health and well-being of others. Life processes are discussed including the physical changes that take place at puberty (in Y5 and Y6), why they happen and how to manage them.

### ***Withdrawal from lessons***

Section 405 of the Education Act (1996) gives parents/carers the right to withdraw their children from all or part of the relationships and sex education provided at school, but not from the biological aspects of human growth and reproduction provided under the National Curriculum for Science 2014. Those parents/carers wishing to exercise this right are invited to see the

Head Teacher who will explore any concerns and discuss any impact that withdrawal may have on the child.

### Parents are invited in to join their children for lunch

New menus for the term ahead are now on display in the outdoor noticeboards.

Parents are invited in on a Friday this term for a fish and chip lunch.

Parents of children in Reception and older Nursery children - Friday 19<sup>th</sup> May at 12.00pm

Parents of children in Y1 and Y2 - Friday 26<sup>th</sup> May at 12.00pm

Parents of children in Y3 and Y4 - Friday 16<sup>th</sup> June at 12.00pm

Parents of children in Y5 and Y6 - Friday 30<sup>th</sup> June at 12.00pm

The cost of a child's lunch is £2.10

The cost of an adult lunch is £2.85

We look forward to seeing you then.

**Dates for your diary** - we will be entering these dates onto the diary on our website. A copy of all newsletters can be found on the school website. Further details about start times for some of the events will be sent out to you nearer to the date.
