

Overall Absence 2015/2016

The attendance for 2015/16 was 96.4% (National 96.1%).

Data and SATs results 2015/16

We are very pleased to share with you the excellent results across all areas of school. The progress made by our children in Y2 and by the time they leave us in Y6 is significantly above the national average in terms of children's attainment. The progress pupils make by the end of Y6 places us in the top 10% of all schools nationally.

This reflects everyone's commitment to ensuring all pupils at all levels make excellent progress based on their starting points. The Inspection dashboard used by Ofsted shows that there are no areas of weakness in terms of children's attainment and progress!

We are very proud that our results have improved again this year and we know that this will give our children the best start in their future education.

End of Foundation Stage (Reception children)

	National 2016	School 2016
Children who achieved a Good Level of Development	69%	72%
