"To be the best we can be"

Head Teacher:
Miss Jasmin Taylor

Chair of Governors:
Mrs Jane Tranter

Dear Parents, Carers and Governors,

We are now well into our final term of the school year and want to say thank you to you all for your support on a day to day basis. Your children are amazing and make us proud every day with all they achieve in school.

We are having a big push on attendance and punctuality.

All classes are working hard to get in on time and be in school every day. The class with the best attendance will have a party at the end of the school year. All classes that have a green bar for punctuality, will also get a class reward.

Current attendance: Base 10 are in the lead but it all depends on next half term - lots of other classes are close.

Current punctuality: Seven classes already have green bars - help your child's class achieve their green bar by ensuring they get to school every day on time.

Our School Values

<p>Challenge</p> <p>Make every experience exceptional</p>	<p>Honesty</p> <p>Always do the right thing</p>	<p>Ownership</p> <p>Take accountability for your actions</p>	<p>Courage</p> <p>Be determined to deliver greatness</p>	<p>Collaboration</p> <p>Work together to succeed</p>

Every school day counts BUT every minute is equally important!

Getting Your Child to School Really Matters!

Attendance

We are working really hard on our attendance and expect all children to attend every day unless they are extremely unwell. Parents have a legal responsibility to ensure their child attends school regularly.

If your child suffers from a recurrent illness that is having an impact on their attendance, we are able to provide you with a print out of their attendance so that you can share this with their doctor, who may be able to provide further medical advice.

Medication

If your child has been prescribed medication, we are able to administer this in school so they are still able to attend school. Please visit the school office to fill in a form, if your child needs to take prescribed medication during the school day.

Good Attendance Means...

being in school at least 96% of the time. This means 8 Days Off!

School Start Time Reminder

Our gates are open at 8:30am and the classroom doors open at 8:35am.

Morning Nursery sessions start at 8:30am.

It's time
to go
to school

All lessons from Reception to Year 6 start at 08:45am. Please support your child by ensuring they arrive at school on time for school to ensure they are not missing important learning. Missed learning has an impact on the progress your child is able to make in school.

Our school gates are locked at 08:45am. Any arrivals after 08:45am will be classed as late and monitored through our attendance procedures by school and the Education welfare Officer.

Visit our Attendance Page on our School Website.

Early Years - The World

The children used all their senses hands-on to explore the natural world around them. They were able to talk about different materials and notice change. They could describe what they could see, hear and feel whilst outside. They understood important processes and changes in the natural world around them including changing states of matter.

Early Years - Donations - Do you have any of the following?

If you have any of the following, that you no longer need, please bring it to school and hand it to the teachers in Early Years.

We need: Sweatshirts, Cardigans, Trousers, Skirts, T-shirts, Socks, Pants and Tights.

National Online Safety

7 questions to help you start a conversation with your child about online safety

#WakeUpWednesday

1

Which apps/games are you using at the moment?

THIS WILL GIVE YOU A GOOD OVERVIEW OF THE TYPES OF THINGS YOUR CHILDREN ARE DOING ON THEIR DEVICES, ALONG WITH THEIR INTERESTS. REMEMBER THAT THEY MIGHT NOT TELL YOU EVERYTHING THEY ARE USING, SO IT IS A GOOD IDEA TO ASK THEM TO SHOW YOU THEIR DEVICE, BECAUSE NEW APPS AND GAMES ARE RELEASED REGULARLY, IT IS IMPORTANT TO HAVE THIS CONVERSATION OFTEN TO ENSURE YOU ARE UP TO DATE WITH WHAT THEY ARE DOING.

Which websites do you enjoy using and why?

AS IN THE TIP ABOVE, ASKING THIS QUESTION WILL ALLOW YOU TO FIND OUT WHAT YOUR CHILD IS DOING ONLINE, AND ENCOURAGE POSITIVE CONVERSATIONS ABOUT THEIR ONLINE ACTIVITY. ASK THEM HOW THEY USE THE WEBSITES, AND TAKE AN INTEREST IN HOW THEY CAN USE THEM IN A POSITIVE WAY, ALSO ASKING THEM TO SHOW YOU IF POSSIBLE.

2

3

PLAY AGAIN?
YES NO

How does this game/app work? Can I play?

SHOW A GENUINE INTEREST IN WHAT THEY ARE DOING. WHILST YOU ARE PLAYING A GAME OR USING AN APP WITH THEM, IT MIGHT HIGHLIGHT SOMETHING THAT THEY DON'T NECESSARILY THINK IS A DANGER TO THEM. IF THEY ACT LIKE THEY DON'T WANT TO SHARE THEIR ACTIVITIES WITH YOU, QUESTION WHY.

Do you have any online friends?

CHILDREN CAN FORM POSITIVE RELATIONSHIPS WITH PEOPLE ONLINE, AND THIS HAS BECOME MORE COMMON THANKS TO ONLINE MULTI-PLAYER OPTIONS, BUT THEY MAY NOT FULLY UNDERSTAND THE DIFFERENCE BETWEEN A FRIEND AND A STRANGER. YOU COULD MAKE THE QUESTION MORE SPECIFIC TO YOUR CHILD, FOR EXAMPLE: "HAVE YOU MET ANYONE ONLINE THAT YOU LIKE TO PLAY GAMES WITH?" THEY MAY NOT WANT TO SHARE THIS INFORMATION WITH YOU, SO ENSURE YOU TEACH THEM ABOUT HEALTHY RELATIONSHIPS.

4

5

Do you know where to go for help?

ALTHOUGH YOU MAY BE THE ADULT THEY TRUST THE MOST, SOME CHILDREN STRUGGLE TO TALK ABOUT WHAT HAPPENS ONLINE DUE TO CONFUSION OR EMBARRASSMENT. BECAUSE OF THIS THEY MAY STRUGGLE TO APPROACH THE NORMAL PEOPLE WHO WOULD HELP, SUCH AS YOURSELF OR A TEACHER. HAVE A CHAT TO YOUR CHILD ABOUT EXACTLY WHERE THEY CAN GO FOR HELP, AND HOW THEY CAN REPORT ANY ACTIVITY THAT THEY BELIEVE IS INAPPROPRIATE ONLINE.

Do you know what your personal information is?

YOUR CHILD MAY ALREADY KNOW WHAT THEIR PERSONAL INFORMATION IS BUT THEY MIGHT NOT THINK ABOUT HOW IT CAN BE SHARED. HAVE A CONVERSATION ABOUT WHAT PERSONAL INFORMATION IS AND HOW THIS CAN AFFECT THEM IF IT IS SHARED BEYOND THE INTENDED RECIPIENT. IT IS IMPORTANT THAT YOUR CHILD UNDERSTANDS THE DANGERS OF SHARING CONTACT DETAILS OR PHOTOS, AS INFORMATION SUCH AS THIS CAN SPREAD QUICKLY ONLINE.

6

7

Do you know your limits?

CHILDREN MAY NOT UNDERSTAND THE NEGATIVE IMPACTS OF DEVICE OR GAME ADDICTION. TALK TO THEM OPENLY ABOUT HEALTHY HABITS AND ASK WHETHER OR NOT THEM SPENDING TIME ONLINE OR PLAYING A GAME IS AFFECTING THEIR SLEEP, PERFORMANCE AT SCHOOL OR IF THEY ARE GENERALLY LOSING INTEREST IN OTHER ACTIVITIES. YOU MAY LEAD ON TO ENCOURAGING ALTERNATIVE ACTIVITIES AND DISCUSSING THE INTRODUCTION OF TIME LIMITS WHEN AT HOME.

What do we do to support your child?

	What happens?	Next steps?
If you or the class teacher has a concern or has noticed a problem.	Talk with the class teacher. The class teacher will meet with you and will start to monitor the children.	If they make no, or limited, progress, they may begin an Assess, Plan, Do, Review form (APDR). This forms the paperwork for a graduated response. This would then be reviewed termly to see what needs to happen next. Your child would then be added to the SEND register and be in receipt of SEND Support.
SEND support	An individual Assess, Plan, Do, Review (APDR) form is written which explains what school will do to help and what you can do to help. You will be given a copy.	Most children make progress with the extra help given but if the targets in the APDR are not being met and the strategies used are not helping them, in discussion with you, further action would be taken by the school. Other professionals may then be requested to come and work with your child such as a Learning Support Advisory Teacher (LSAT) or an Educational Psychologist. Your permission is always requested before this happens. All professional advice is incorporated onto the APDR and strategies or recommendations are put in place. Reports are shared with you.

The majority of children make progress with this extra support and input and the help and support that you give to them and the school in meeting your child's targets. However, if there are still concerns then a request is made to the Local Authority for an assessment under an Educational Health Care Plan (EHCP)

In a very few complex cases, more help is needed:

	What happens?	Next steps?
Educational Health Care Plan Assessment (EHCPA)	The school requests for an Assessment if they feel your child needs more help than they can offer with current resources. It involves lots of paperwork and is only done after everything else has been tried.	Once the paperwork has gone to the LA, it is out of our hands. They carry out the assessment if they feel it is necessary, or they do not, in which case school carries on supporting your child to the best of its abilities.
Educational Health Care Plan (EHCP)	In a very few cases, if the assessment shows there is a need, then an Educational Health Care Plan is put in place. This sets out what the LA and other educational specialists feel would be the best strategies for your child. There will be extra funding available, and you will be advised on how this will work.	An Educational Health Care Plan is reviewed annually, and you are always invited to attend the review meeting. This is where we decide whether your child is making progress and whether the Educational Health Care Plan is still necessary and what further action/support needs to be taken.

Parental Support

What is Early Help?

Providing early help to our children and families at William Reynolds Primary School and Nursery means we can be more effective in preventing problems from affecting a child's ability to thrive and be successful. Early help means providing support as soon as a problem emerges, at any point in a child's life, from the foundation years through to Year 5.

Early help is a term that describes much of the everyday work of schools

Early help assessment

What is an Early Help Assessment?

An Early Help Assessment is a way of working with children and young people. It involves listening to you and your child to find out your child's needs and what is working well in your child's life and your family life. This is reviewed and if needed sent into Strengthening Families to see if an allocated worker is needed to support you in the home. This is a voluntary process.

How does it work?

With agreement, a Mrs Groucott or Mrs Dawkins will ask you some questions to find out what help and support your child might need. They will also talk to the child about their view. This information is recorded on a form as you talk to the DSL.

How will the Early Help Assessment help my family?

The Early Help Assessment (EHA) exists to help you support your child. It can lead to a quick solution or help to identify extra support if needed. The EHA will ensure that everyone involved in your child – such as teachers and health visitors – work together to support your child. The EHA will help your child receive the right support at an early stage before their needs increase.

What happens next?

Based on the information you and your child provide all agencies can support your child will work together to provide the support that your child and family needs. The information that you and your family provide will only be shared with the people who need to know and only with your agreement.

A Strengthening Families workers can support you with the following:

- Parenting
- Employment
- Finances issues
- Emotional health and wellbeing
- Acting as part of the pathway towards a BEEU referral.
