## Year 1 Blists Hill

On Tuesday 6th May, Year 1 went to Blists Hill to find out what schools were like in the Victorian times.

## Headlice

Can we please ask that parents are vigilant about headlice please, so we can all help to keep these pests at bay.

Please Remember:

A regular check of your child's hair will help to control head lice. If additional nits are discovered at least 3-5 per day, this may be a sign that live lice may still be on the head. When you brush your child's hair in the morning or at night always have a quick check.

- Screen safely and regularly
- Detect lice and nits as early as possible
- Remove lice and nits immediately and effectively
- Avoid panic and unnecessary use of chemicals
- Keep children in school lice and nit free
- If you have any concerns regarding head lice please contact your pharmacist/chemist.

Thank you.

<b>Thursday 26th June</b>	<b>Am Reception Enrichment morning</b>

## Well done

Well done to the Year 6 children who completed their SATs this week. They all tried incredibly hard and we are very proud of them in school. The SAT results will come out in July with their reports.
