"To be the best
that we can be"

Tag Rugby

On Wednesday 1st October, a team of Y5 and Y6 children walked across to Haberdasher's Abraham Darby to take part in the first ever T1 Rugby tournament to be held by Telford and Wrekin School Sports Partnership.

Because it was the first time all the schools had played this new version of rugby, it was a festival of sport, where winning and losing didn't matter. Mr Tagg said that all we had to do was get better each time we played and that's exactly what we did! Each match we played we tried to focus on getting better at one part of the game: making sure we were always on the right side of the ball; defending as a team and trusting our team mates; supporting each other when we had the ball to make sure there was always someone to pass the ball to; and being encouraging of each other.

We all had an amazing time, and even though we lost more games than we won it was a really enjoyable afternoon. Also, we can't wait to go to the next tournament in February or March next year. We're going to continue to train hard in after-school club and aim to go and win later in the year.

Christmas cards

Please fill the form in on the reverse of the design and **return to school by 20th October.**

School will then send these to Xmas4School who will turn their designs into cards or other products.

Once they have received your form, they will send you a text and an email containing your order link which you can follow to your child's ordering portal. From here, you can place your order if you want to.

Parking

Please can we ask that you park considerately at the front and back school so it gives people room to walk safely. Some parents are struggling to get past the cars with pushchairs at drop off and pick up.

Also please be careful when pulling out in your car as there are lots of people walking past.

Thanks.

Congratulations

Well done to Mrs Jones (who teaches Reception) for winning a bronze medal for 18yrs + kata individual and the silver medal for the veteran teams kata at the nationals. We wish her luck as she travels to the European Championship in Venice next week.

Headlice

Can  we please ask that parents are vigilant about headlice, so we can all help to keep these pests at bay.

Please Remember:

A regular check of your child's hair will help to control head lice. If additional nits are discovered at least 3-5 per day, this may be a sign that live lice may still be on the head. When you brush your child's hair in the morning or at night always have a quick check. **Thank you.**
