"To be the best
that we can be"

Parking

Please can we ask that you park considerately at the front and back of school so it gives people room to walk safely. Some parents are struggling to get past the cars with pushchairs at drop off and pick up.

Also please be careful when pulling out in your car as there are lots of people walking past.

Thanks.

Christmas cards

Please fill the form in on the reverse of the design and **return to school by 20th October. We can not send any that are late.**

School will then send these to Xmas4School who will turn their designs into cards or other products.

Once they have received your form, they will send you a text and an email containing your order link which you can follow to your child's ordering portal. From here, you can place your order if you want to.

**All children can be picked up at 3pm on Wednesday
Halloween Disco**

Wednesday 22nd October 2025

Year 1 & 2 - 3:45pm - 4:45pm

Year 3 & 4 - 5:15pm - 6:15pm

Year 5 & 6 - 6:30pm - 7:45pm

£3.00 per child - to be paid in cash to the school office.

What is persistent absence?

If your child takes too much time off school they will become categorised as PA or persistently absent. (Attendance below 90% = persistent absence).

Missing school will make your child fall behind in lessons and will impact on their academic progress and achievement. Don't allow your child to become a PA student.

flu: 5 reasons to vaccinate your child

1. Protect your child

The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia

2. Protect you, your family and friends

Vaccinating your child will help protect more vulnerable friends and family

3. No injection needed

The nasal spray is painless and easy to have

4. It's better than having flu

The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record

5. Avoid costs

If your child gets flu, you may have to take time off work or arrange alternative childcare

Most children have the nasal spray vaccine which is the preferred vaccine. A vaccine injection is also available which does not contain gelatine from pigs (porcine gelatine).
